

A large offshore oil rig is shown at sea during dusk or dawn. The rig is illuminated with warm yellow lights, contrasting with the cool blue tones of the sky and water. The rig's complex structure, including a tall crane and various platforms, is visible. The sea is dark with some whitecaps. The sky is filled with scattered clouds, and the horizon is visible in the distance.

Vandad Petro Sahel

Company Profile

2016- 3th Edition

Supply of Industrial equipment in the fastest time with the best quality

A photograph of four industrial workers in a drilling rig setting. They are wearing hard hats and work clothes, some of which are covered in mud. The background shows the complex machinery of the rig under a clear sky. The sun is low on the horizon, creating a bright glow and lens flare in the bottom right corner.

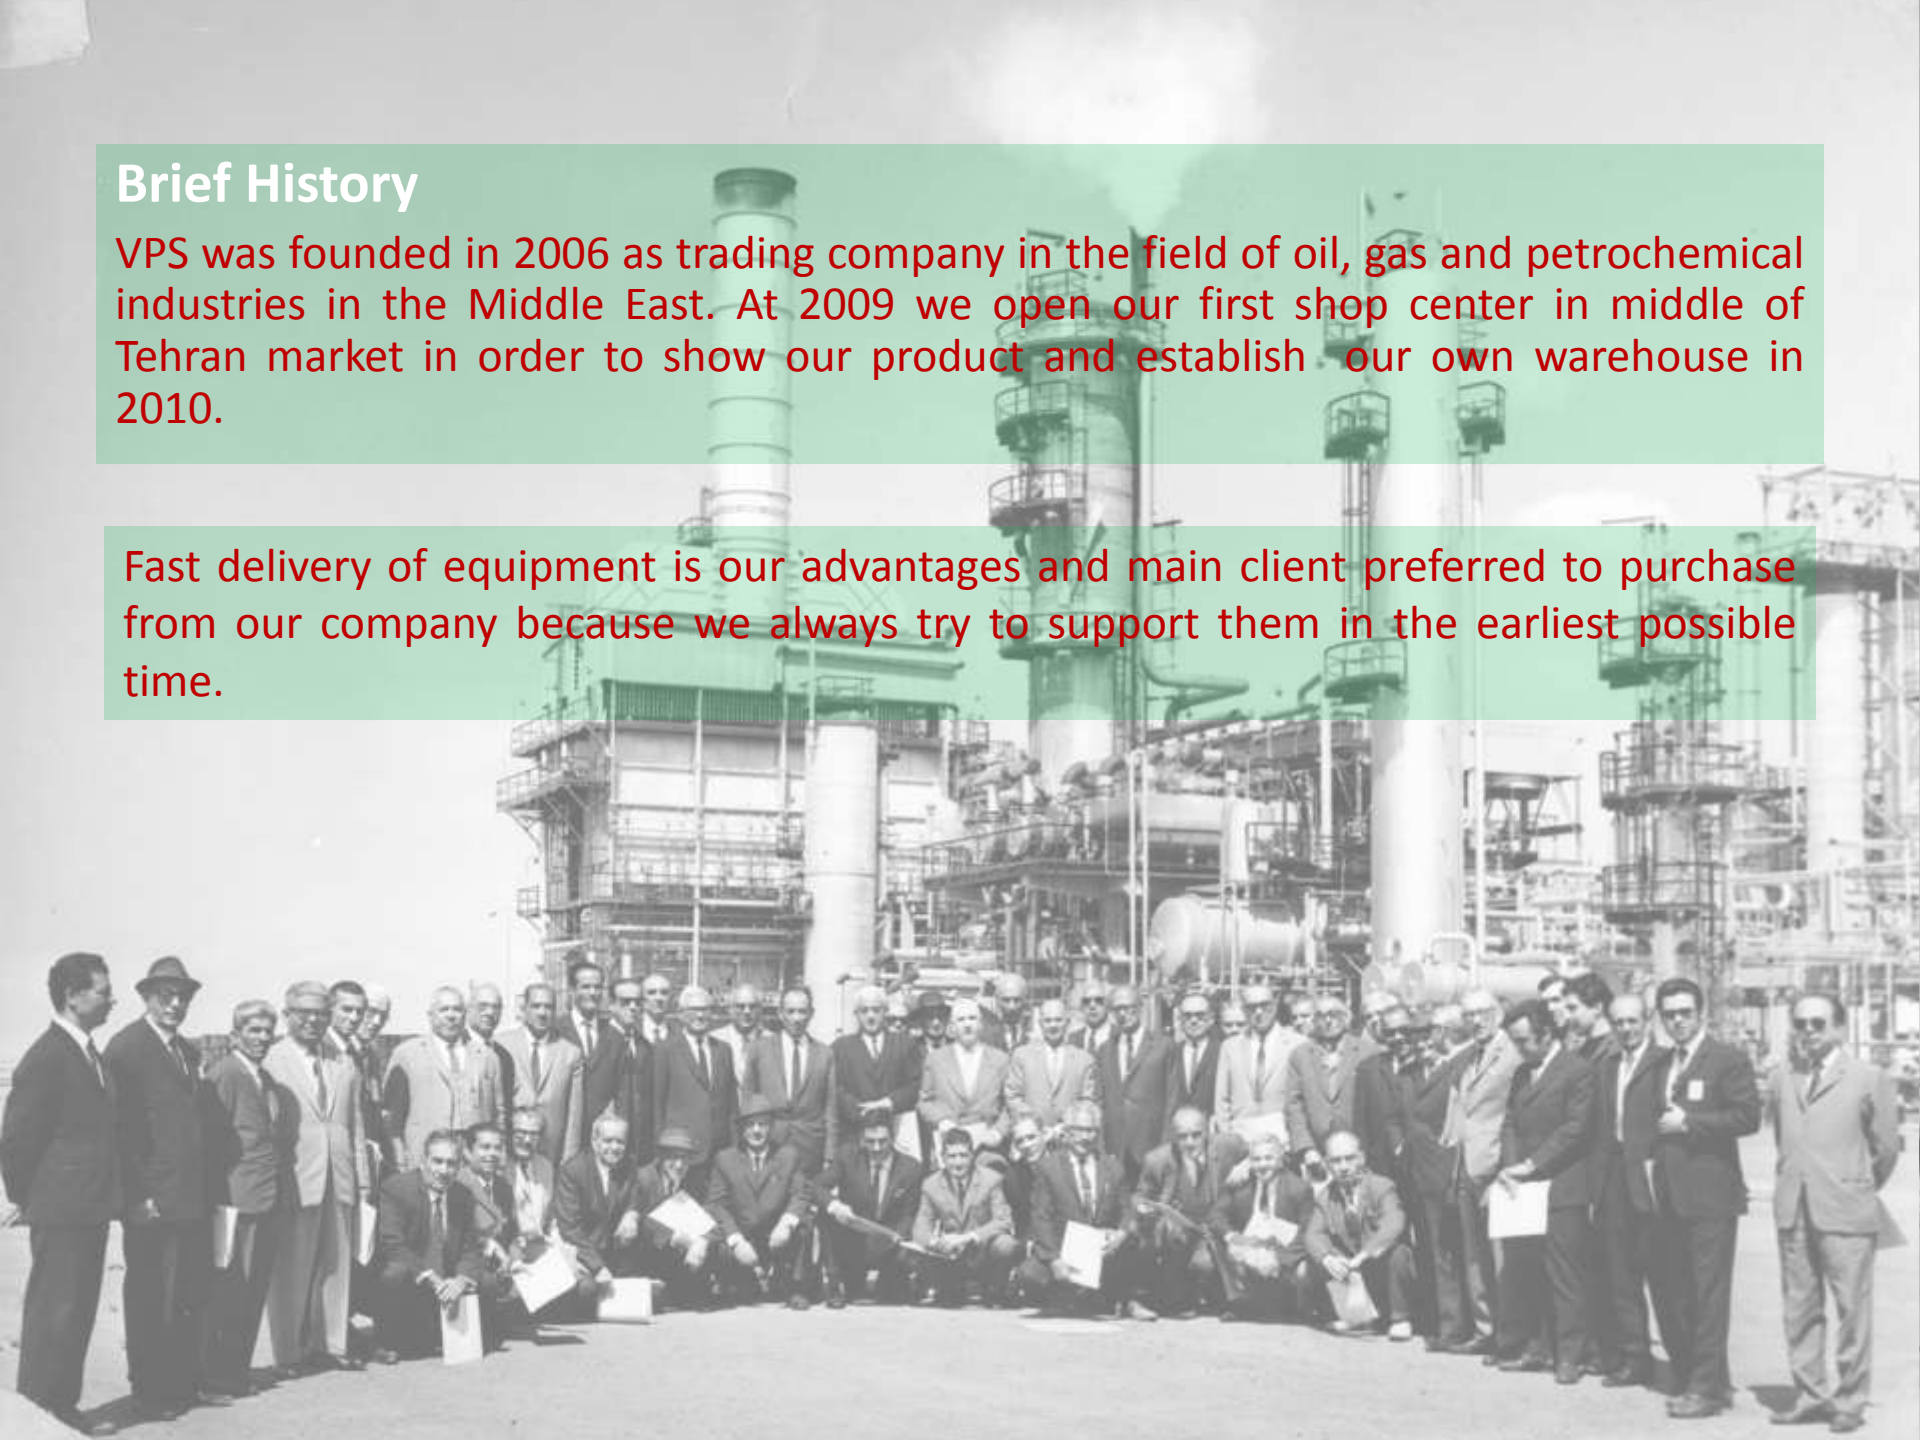

Who we are?

We are specialized stockiest and suppliers of industrial equipment. Most of our stock are from approved manufacturers. import critical equipment of up-stream and down-stream industrial such as Drill Equipment, Spare Parts & piping material.

Brief History

VPS was founded in 2006 as trading company in the field of oil, gas and petrochemical industries in the Middle East. At 2009 we open our first shop center in middle of Tehran market in order to show our product and establish our own warehouse in 2010.

Fast delivery of equipment is our advantages and main client preferred to purchase from our company because we always try to support them in the earliest possible time.

Our Main Activity

The image shows two workers in silhouette on the deck of an offshore oil rig. They are wearing hard hats and work clothes. One worker is pointing towards the background. In the background, a large drilling rig structure is visible against a sunset sky. The sun is low on the horizon, creating a bright glow and silhouetting the workers and the rig. The ocean is visible in the distance.

We already have large stock for CS & SS pipe.

Supply Fitting from the most famous brand in the world.

Always stock various size and model of PDC bit to take a fast action.

It's our Pride to supply all flanges of Persian golf petrochemical plants.

Pipe & Pipeline

- SEAMLESS PIPES AND TUBES (SMLS)
- LINE PIPES AND LINE TUBES (ERW, HFI, EFW, DSAW)

VPS Supply is a leading Iranian supplier of seamless pipes and tubes of all grades and dimensions with more than 10 years business expertise. In our warehouse, we stock seamless pipes up to 24" in the high and low-temperature range.

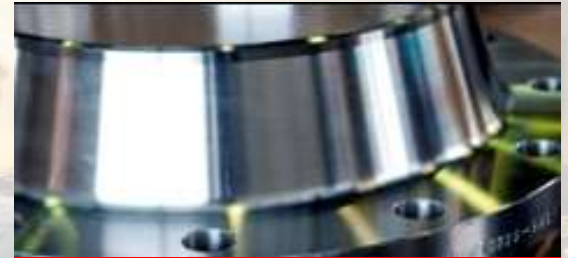

VPS delivers welded line pipes (ERW, HFI, EFW, DSAW). Our extensive storage capacities and our global network of selected suppliers ensure excellent availability on a competitive price level. We are able to supply line pipes directly from warehouses or mill sources. (Background picture is warehouse of APM mill, our project)

Drill Bit

We supply wide range of drill bits of different sizes and for different applications. Based on the technical data provided by the clients, we recommend them on the required bits along with performance data for their review. We also provide them the option on country of origin, like Chinese, Europe & USA.

We are one of the major stockists of carbon and stainless steel within the ANSI range in Tehran. Due to our selected suppliers we ensure the supply of high quality industrial flanges to meet our customers' needs.

Flange

Fitting

We have our own extensive warehouse of butt-weld fittings up to 24" of high-temperature, low-temperature, CS and SS :
Elbows, SR & LR 45-90
Tees, Reducing Tees
Concentric and eccentric reducers
Caps

Here Some of our Projects

SINA 1, REHABILITATION PIPING MATERIAL, MUD PUMP

28 KM GAS TRANSMISSION PIPELINE 20" API X60 PSL2

PIPING OF SHAZAND PETROCHEMICAL PLANT

YADAVARAN OIL FIELD CRA PIPING MATERIAL

SOUTH PARS SPD 16, SHORTAGE PIPING MATERIAL

YADAVARAN 3 WEELS PDC DRILLING BIT

HENGAM OIL FIELD PIPING MATERIAL

TOTAL PIPING OF PAKBOM SHIP

CORRUGATED PLATE, ROW MATERIAL A516 GR.70N

SOUTH PARS SPD 14, SHORTAGE PIPING MATERIAL

PIPE OF KHARG FUEL OIL SYSTEM UPGRADING

SETAREH KHALIJ FARS PROJECT

KHARG FUEL OIL SYSTEM UPGRADING PROJECT

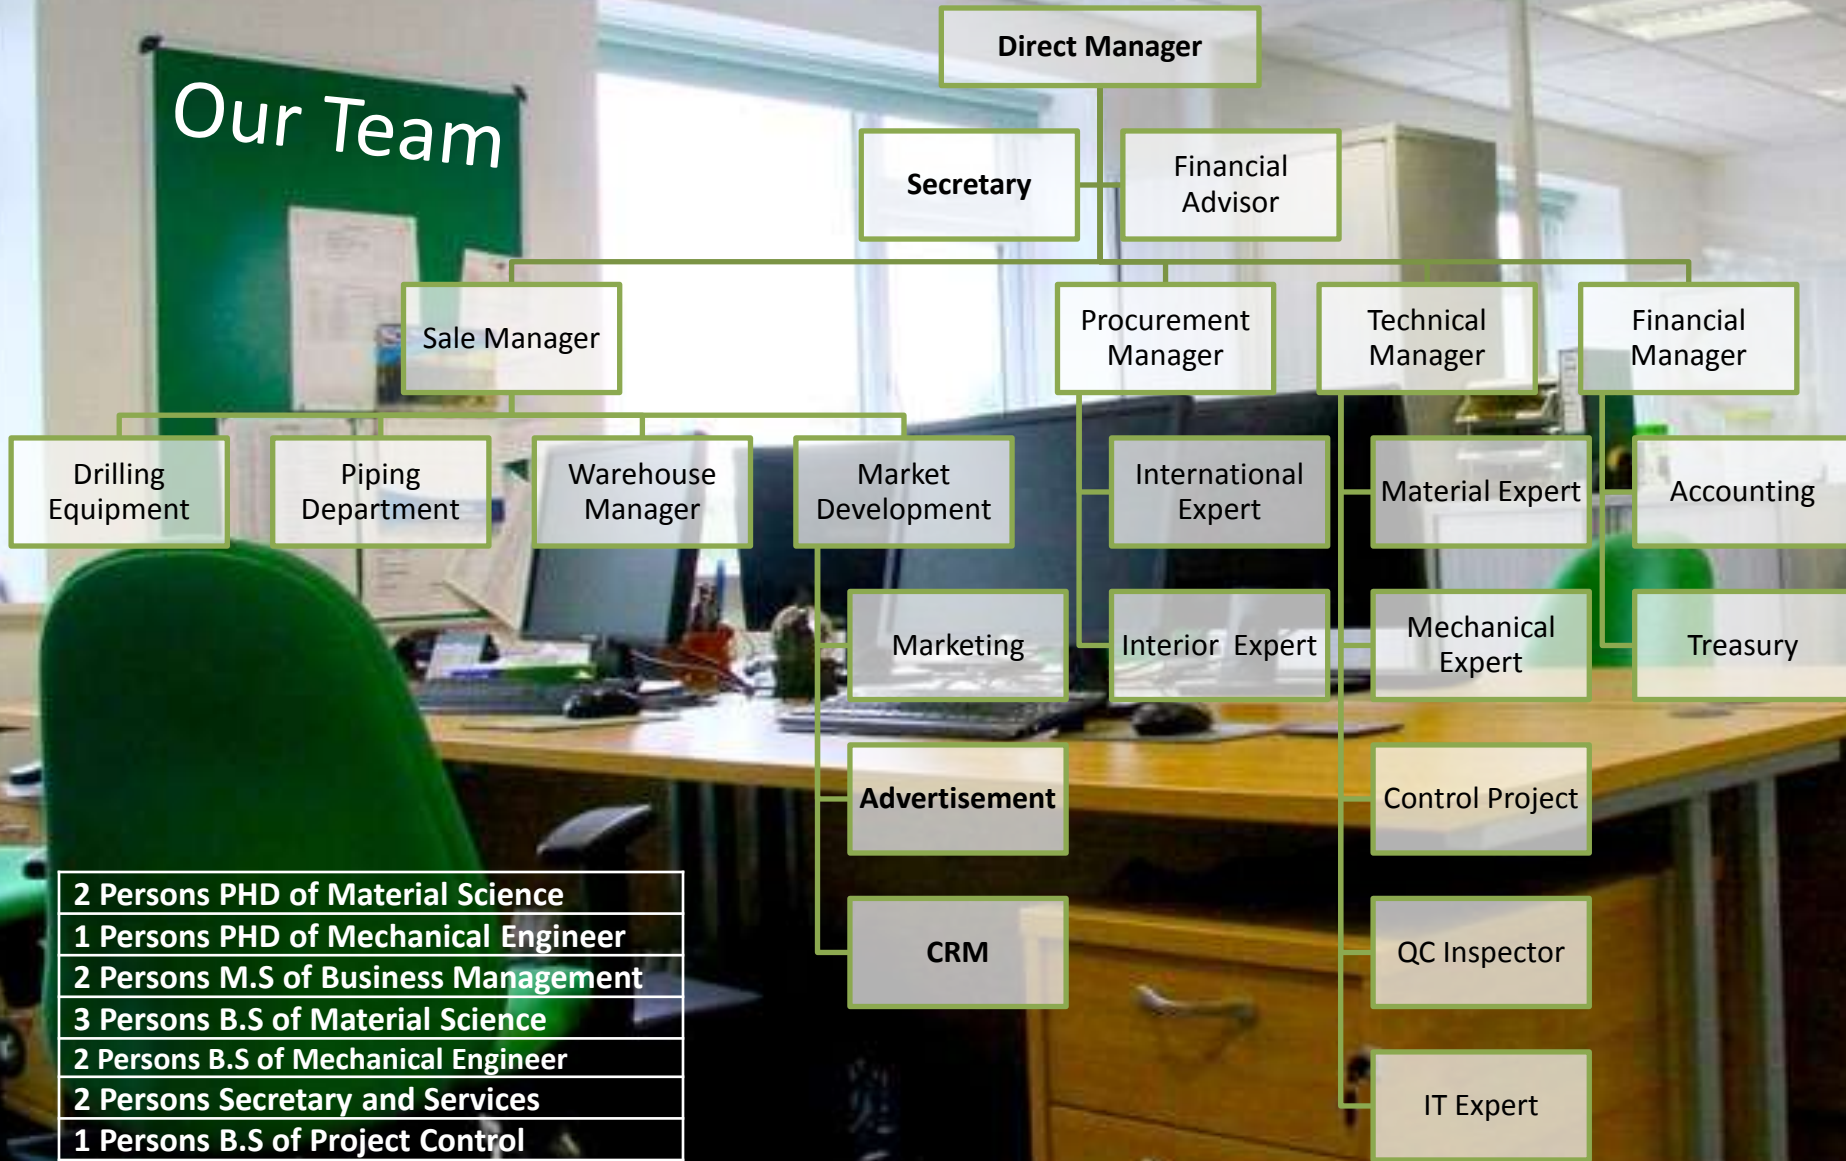

Our Main Governmental Customers

- IRANIAN OFFSHORE OIL COMPANY (IOOC)
- IRAN SHIPBUILDING & OFFSHORE INDUSTRIES COMPLEX (ISOICO)
- NATIONAL IRANIAN SOUTH OIL COMPANY (NISOC)
- NATIONAL IRANIAN GAS COMPANY (NIGC)
- PETROLEUM ENGINEERING AND DEVELOPMENT COMPANY (PEDEC)
- PARS OIL AND GAS COMPANY (POGC)
- IRAN MARINE INDUSTRIAL CO (SADRA)
- SAFF OFFSHORE INDUSTRIES CO (SAFF)
- IRANIAN OFFSHORE ENGINEERING AND CONSTRUCTION COMPANY (IOEC)

Our Team

- 2 Persons PHD of Material Science
- 1 Persons PHD of Mechanical Engineer
- 2 Persons M.S of Business Management
- 3 Persons B.S of Material Science
- 2 Persons B.S of Mechanical Engineer
- 2 Persons Secretary and Services
- 1 Persons B.S of Project Control
- 2 Persons M.S of accountant
- 1 Person Industrial Engineer

Vandad Petro Sahel & Iran Oil Shows Since 2008

The second largest OPEC producer, Iran sits atop 11 percent of oil and 18 percent of gas reserves in the world. Every year, the country hosts an international Oil Show in different oil, gas, refining and petrochemical sectors. It is among the most significant oil and gas events in the world in terms of the number of participants and its diversity. The presence of famous foreign companies as well as domestic producers and industrialists provide a good chance for mutual cooperation in view of signature of contracts.

Over **100,000 trade visitors** from 40 countries
Over **2000 participating companies** from 35 nations.

Quality Policy

Quality is our first priority

The quality policy of vandad petro sahel is very simple to perform work of the highest attainable quality in accordance with applicable codes, standards , specification and customer's specifications.

Quality Control Department is responsible for all aspects of quality from receiving of materials to control of machining process, welding, nondestructive testing, assembly, cleaning, painting and packing. This ensures that all equipment and material shipped out from our warehouse conform to the International Standards and requirements of the Customers.
